## HOW YOU CAN HELP

Our excellent village Primary School is funded by the Local Education Authority and, like many schools, it currently raises some additional funds from other sources: it has a very active PTA, a School Fund which is a voluntary parent contribution scheme and other fund-raising initiatives such as Give as you Live and the Co-Op's local charity support.

The Foundation gives our wider community the opportunity to play a part in the future of our school by donating either one-off sums or regular amounts.

Our community includes the churches and benefice, RAF Odiham, local businesses and residents, school alumni, grandparents and pupils' other relatives, linked educational establishments and other charitable organisations.

The entirety of your donation will go towards enhancing the education of generations of pupils and will assist the School's great plans for the future.
