

# Long Sutton Primary School is looking to recruit an inspirational and dynamic Headteacher from April 2024.

The village of Long Sutton, nestled in beautiful Hampshire countryside and yet minutes from the towns of Alton and Farnham, is the home of our much-loved primary school.

Our core values of Love, Courage and Hope are woven into every aspect of school life and drive our curriculum priorities and policies.

Primarily drawing children from three local villages and RAF Odiham, our school plays an important role in our communities. It's a gathering point where friendships form and develop, and it's a place where children flourish and thrive. We are committed to nurturing, encouraging, and challenging the children in our care to be the best they can be.

The connection between the school and the local churches is longstanding and significant. The Church offers ongoing and creative support through the benefice and the Youth Pastor, who leads collective worship, lunchtime and after-school clubs, and services in the parish church to mark special occasions.

Having just completed a very successful OFSTED inspection, we are looking for an innovative, energetic and empathetic leader to help us build on the exceptional

work of our outgoing headteacher. If you're looking for a fulfilling new challenge, our full advert and the application pack will be live on the Hampshire Education Jobs website early in the new year. We will be delighted to receive your application; in the meantime, why not browse our website, give us a call and come and pay us a visit?
